Building Peace on Truth Africa

Christian Allies Caucus Jerusalem

Dear Sir/Madam,

It is a great pleasure to invite you to be a part of the Jerusalem Summit Africa. This Summit will concentrate on the benefits that Israel, South Africa and the wider region can glean from a better understanding of each region and from partnerships that can make a vital difference to the quality of life of the communities within these areas.

Moreover, the Jerusalem Summit will bring together people who passionately share and stand firm on Biblical values. These values have transformed much of our world and have provided the basis for peace, freedom, democracy, prosperity and truth for many peoples.

The great continent of Africa should not be an exception. We rejoice in the triumph of these values in South Africa resulting in a truly free and liberated nation. However, the threat of radical Islam is real and is knocking at the door of many African states. The result will be totalitarianism, poverty and disease.

Israel and South Africa have a lot in common and a lot to share in terms of democracy, freedom, scientific development and know how.

The Jerusalem Summit Africa will provide a platform for this to happen and will be hosted by the International Christian Embassy Jerusalem, Bridges for Peace and the Christian Allies Caucus of the Knesset of Israel. Accommodation will be at the prestigious Devon Valley Hotel (Tel: +27 21 865 2012 or email: functions@devonvalleyhotel.com). The meetings will be held in the nearby conference centre at Neethlingshof.

The Summit will be convened on Sunday 18th June, 2006 and conclude on Monday 19th June. We sincerely hope that you will be able to attend.
